Rent Payment Agreement

Freedom Pond Cooperative B.O.D.:

I understand that I owe the Cooperative rent for the month of _____, 2019.

I agree to pay the rent in the following manner:

Payment in full on or before the next rent due date to include the \$15.00 State of NH liquidation fee, along with the rent for that month (\$345.00)

Payment of \$445.00 for the next three months

Note per our Bylaws: "A 'Member in good standing' is a Member whose lot rent and Membership Fees are current or has signed an agreement satisfactory to the Board of Directors to bring these rents and fees current." (Article 3.1B) Therefore, if your late rent is not resolved, nor an agreement reached before the next rent due date you are no longer a "Member in good standing".

I understand that this standard **Rent Payment Agreement** may used only once per calendar year. Any request for alternative or subsequent plans for payment must be made in person at the BOD Meeting scheduled for the same month in which the rent is owed.
