Maintenance/Site Improvement Request Form

Date: _____
Address _____
Phone _____

Homeowners Responsibility:

Contacting Dig Safe and any required permits are the responsibility of the Homeowner. Zoning ordinances require a 20 foot minimum setback from adjoining property lines for all structures. Placement of structures and the planting of trees above drainage systems, septic systems and/or leach fields is prohibited. Except for the original home it is the responsibility of the Homeowner to dismantle or move any structure, as necessary, if access to an underground utility is required.

By signing below I agree to abide by all requirements of the Freedom Pond Cooperative, Inc. Maintenance and Site Improvement Policy and to obtain written approval from its Board of Directors prior to commencement of any site work.
